

Colorado Springs Pilot Safety Briefing

- Updates for COS/FCS/PUB airport facilities and traffic
- USAF Academy Flight Training and Airspace Usage updates
- Real-Life Aircraft Emergency account
- Aircraft recovery from Loss of Control
- Pilot Errors

Directions: Proceed upstairs to departure lobby. Turn right and proceed to the far east end of the lobby and down the concourse to meeting site, which is in the concourse proper. Parking tickets will be validated for either long-term or short-term parking at the registration desk.

Note for Fly-Ins: Parking, fuel, and transportation available from the GA facilities on the west side of KCOS Airport. Call ahead for airport security requirements and assistance.

A message from the National FAASTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at www.FAASafety.gov!

The FAA Safety Team (FAASTeam) is committed to providing equal access to this meeting/event for all participants. If you need alternative formats or services because of a disability, please communicate your request as soon as possible with the person in the "Contact Information" area of the meeting/event notice. Note that two weeks is usually required to arrange services.
