

## Danger is Lurking Under Your Wings!

Wilbur Wright said, "If you are looking for perfect safety, you will do well to sit on a fence and watch the birds". Well as pilots we don't sit on fences, therefore, lets take a look at the risks and challenges of many phases of flight and discuss techniques to mitigate their risks. We'll us a combination of NTSB reports and personal experiences to illustrate common issues and methods to prevent incidents and accidents.

**Directions:** The Ramada Inn is immediately to the northeast of the Centennial airport Control Tower. Arapahoe conference room.
