

## The Aviation Medical and You!

Flying is our passion. Sometimes the medical required by the FAA seems to do everything it can to prevent us from our participating in our passion. Our speaker has been a Senior Aviation Medical Examiner for 26 years, a Human Intervention and Motivation Study (HIMS) Aviation Medical Examiner for 10 years. He will share his experiences and thoughts about the FAA medical process.

**Directions:** The Ramada Inn is immediately to the northeast of the Centennial airport Control Tower. Arapahoe conference room.
