

Owner/Operator Maintenance

This seminar will discuss what you as an owner or operator of a general aviation aircraft can perform. Learn what maintenance you can do and when you should turn it over to a qualified mechanic.

Directions: This seminar will be held in the Airline Terminal Building (north of the general aviation FBO).

A message from the National FAASTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at www.FAASafety.gov!
