

IMC Club at IA - Regular Meeting at Denver Center

IMC Club, through its nationwide chapters, provides organized "hangar flying" focused on building proficiency in Instrument flying. Believing that safety and proficiency are developed through education and experience, monthly meetings use real-world scenarios to engage our members and allow them to share and build their experience.

You do not have to be Instrument rated to attend!

Directions: Take I-25 North to Exit 243 (Colorado 66) exit for Longmont. Turn left and proceed about 8 miles to Hover Street. Turn left and go about 1 mile to East 17th Avenue. Turn left to 2211 East 17th Avenue. Park in the parking lot to the east of the Security building.

A message from the National FAASTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at www.FAASafety.gov!

The FAA Safety Team (FAASTeam) is committed to providing equal access to this meeting/event for all participants. If you need alternative formats or services because of a disability, please communicate your request as soon as possible with the person in the "Contact Information" area of the meeting/event notice. Note that two weeks is usually required to arrange services.
