

UAVs 'What are they and what do they do'

With the additional use of airspace of unmanned air vehicles of various sizes an understanding of what they do is required.

Directions: US70 exit Watkins, North on Watkins Mile Road, right on Highway 36, turn left on Imboden Road (north), right on 48th Ave, left on Front Range Parkway to terminal.

A message from the National FAASafety Team Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at www.FAASafety.gov!
