

## Intro to Foreflight

We will use a cross country scenario to have an open, audience-interactive discussion designed to introduce the basic uses of Foreflight for a VFR pilot from preflight to tiedown.

**Directions:** West end of airport near the self-serve fuel pump.

### A message from the National FAASTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at [www.FAASafety.gov](http://www.FAASafety.gov)!

The FAA Safety Team (FAASTeam) is committed to providing equal access to this meeting/event for all participants. If you need alternative formats or services because of a disability, please communicate your request as soon as possible with the person in the "Contact Information" area of the meeting/event notice. Note that two weeks is usually required to arrange services.
