

## Understanding your Inflight Resources

We have the worlds best aviation system. This includes a number of resources available to the GA pilot in flight. Many don't understand what is available to them or how to access them. We will discuss these, how to properly access them and how to use them most effectively when inflight to increase your safety and enjoyment.

**Directions:** The Ramada Inn is immediately to the northeast of the Centennial airport Control Tower. Arapahoe conference room.
