

Colorado Pilots Assoc. (CPA) Mountain Flying Ground School

Learn the basic skills to fly safely throughout the Rocky Mountains. Gain knowledge of safe mountain flying practices and high elevation operations from highly experienced Colorado mountain pilots. There is a fee for this 8-hour program. Additional course details, cost, and registration form can be found under the "mountain flying" menu at www.coloradopilots.org.

After viewing the online information, registration can be made only by contacting CPA at (303) 367-0670 or tbarbo@comcast.net.

Directions: Ground school will be held in the Mount Evans Room on the 2nd Floor in the Rocky Mountain Metropolitan Airport (RMMA) main terminal building. Airport Way is west of highways 121 and 128 intersection.

A message from the National FAASafety Team Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at www.FAASafety.gov!
