

iPad Takes Flight! ForeFlight Advanced Training

ForeFlight is the most popular aviation app among pilots. Even so, many are not proficient in its use, which can cause distraction and a dreaded violation. Don't be that pilot! This class teaches more advanced concepts, functions and features in ForeFlight to maximize proficiency and situational awareness.

Directions: From I-25 and E. Arapahoe Rd., proceed east to S. Peoria St. Turn right. At the entrance to Centennial Airport, turn right. Continue around the control tower, turn right just after yellow Caution sign on the right. Located in Arapahoe Aero building.

A message from the National FAASafety Team Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at www.FAASafety.gov!

The FAA Safety Team (FAASafety Team) is committed to providing equal access to this meeting/event for all participants. If you need alternative formats or services because of a disability, please communicate your request as soon as possible with the person in the "Contact Information" area of the meeting/event notice. Note that two weeks is usually required to arrange services.
