

## Wings of Wyoming Spring Safety Seminar

Come out and join fellow airmen for a day of informative presentations focusing on important topics for all aviators. Subjects will include weather theory, special use airspace, iPads and the electronic flightbag, medical requirements (old and new), and it's all free.

**Directions:** There will be plenty of parking to the north of the hangar. Please enter the FBO through the west (street side) door.

### A message from the National FAASTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at [www.FAASafety.gov](http://www.FAASafety.gov)!

The FAA Safety Team (FAASTeam) is committed to providing equal access to this meeting/event for all participants. If you need alternative formats or services because of a disability, please communicate your request as soon as possible with the person in the "Contact Information" area of the meeting/event notice. Note that two weeks is usually required to arrange services.
