

Copters for a Cause Continuing Education Series

There have been a lot of changes to the FARs in recent months. EMS pilot and Designated Pilot Examiner, Cayce Batterson will lead a review of those changes, highlighting the things that will be expected on upcoming checkrides. Also, Michael Maya Charles, local ATP CFII and author of "Artful Flying," will probe two of the most dangerous words in aviation: "I know..."

Directions: Frederick-Firestone Fire Station # 2 is located near the Air Life Denver Bell 407 helipad, just east of I-25

A message from the National FAASTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at www.FAASafety.gov!

The FAA Safety Team (FAASTeam) is committed to providing equal access to this meeting/event for all participants. If you need alternative formats or services because of a disability, please communicate your request as soon as possible with the person in the "Contact Information" area of the meeting/event notice. Note that two weeks is usually required to arrange services.
