

Fall Pilot Safety Briefing

Event has two distinct subject areas for topics: Graphic Area Weather Forecast for Pilots, and New Federal regulations for sUAS (Small Drone) operations.

Directions: Briefing will be in the main hangar at the Jet Center on the West side of the airport facing RWY 35L/17R Automobile parking available in the parking lot in front of the building. Aircraft parking on ramp next to the Jet Center.

A message from the National FAASTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at www.FAASafety.gov!

The FAA Safety Team (FAASTeam) is committed to providing equal access to this meeting/event for all participants. If you need alternative formats or services because of a disability, please communicate your request as soon as possible with the person in the "Contact Information" area of the meeting/event notice. Note that two weeks is usually required to arrange services.
