

IMC Club at IA - Regular Meeting

EAA IMC Club, through its nationwide chapters, provides organized "hangar flying" focused on building proficiency in Instrument flying.

Believing that safety and proficiency are developed through education and experience, monthly meetings use real-world scenarios to engage our members and allow them to share and build their experience.

You do not have to be Instrument rated to attend!

Directions: From I-25 and E. Arapahoe Rd., proceed east to S. Peoria St. Turn right. At the entrance to Centennial Airport, turn right. Continue around the control tower. Turn right just past the yellow CAUTION sign. In the Arapahoe Aero building.

A message from the National FAASTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at www.FAASafety.gov!

The FAA Safety Team (FAASTeam) is committed to providing equal access to this meeting/event for all participants. If you need alternative formats or services because of a disability, please communicate your request as soon as possible with the person in the "Contact Information" area of the meeting/event notice. Note that two weeks is usually required to arrange services.
