

Basic Med

Basic Med for Pilots - Brief presentation on regulations, how to obtain a Basic Med certification, the benefits and costs of basic Med to the pilot, and a discussion with a local AME about why you, as a pilot, may not want to fly under Basic Med.

Directions: Take Hwy 50 West towards Fremont/Canon City. Turn left into the airport entrance, (Decker Rd). Continue on Decker Rd to the parking area at the end. The seminar will be in the large hangar on the right. Look for EAA members and signs to guide you.

A message from the National FAASTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at www.FAASafety.gov!

The FAA Safety Team (FAASTeam) is committed to providing equal access to this meeting/event for all participants. If you need alternative formats or services because of a disability, please communicate your request as soon as possible with the person in the "Contact Information" area of the meeting/event notice. Note that two weeks is usually required to arrange services.
