

KFNL IMC Club - Flooded In The Air

Believing that safety and proficiency are developed through education and experience, monthly meetings use real world scenarios to engage our members and allow them to share and build their experience. At the meetings, prospective members have the opportunity to see and discuss presentations provided by EAA/IMC Club. You do not have to be instrument rated to attend.

Directions: FNL jetCenter main hangar, through the FBO lobby. Bring a folding chair and your tablet-based flight app.
