

**FAASTeam presents:**

## **EAA Chapter 43 VMC Club - Live and Zoom**

Believing that safety and proficiency are developed through education and experience, monthly meetings use varied presentation topics and real world scenarios to engage our members and allow them to share and build their experience. At the meetings, prospective members have the opportunity to see and discuss presentations provided by EAA Chapter 43 VMC Club. You do not have to be a member of EAA Chapter 43 to attend.

**Directions:** Drive to the back, southwest corner of the building. Look for the orange "Industrial Lane" banner over the door next to Docks 3 & 4. Enter at the top of the stairs. Zoom:

Contact Andre' Smith at andresmith76@hotmail.com to receive Zoom login information prior to the meeting. Before attending the seminar, check and adhere to the local CDC guidelines.

#### **A message from the National FAASafety Team Manager**
