

## EAA Mile High Chapter 43 Monthly Meeting

The monthly two-hour meeting starts at 6:00 pm MST with a social event with refreshments, followed by the guest speaker, and concludes with a brief business meeting including a safety review topic. This month's speaker, John Stewart, will discuss several topics including the flying activities of his father (flying a Super Cub in Africa for the King of Yemen) and Mr. Stewart's experiences as a United States Air Force pilot.
