

EAA Mile High Chapter 43 Monthly Meeting

The monthly two-hour meeting starts at 6:00 pm MST with a social event with refreshments, followed by the guest speaker, and concludes with a brief Chapter business meeting along with a group discussions of flying and airport operations best practices, aircraft home-building updates, community outreach efforts and examination/discussion of a relevant safety topic. This month's speaker, Robert Zubrin, will discuss an air launched balloon system flight along with the Mars Direct Proposal - examining the most practical and cost effective way to implement a mission to Mars.

Directions: Rocky Mountain Metro Airport (KBJC) Terminal Building, Second Floor, Mt. Evans Conference Room
