

Mountain West UAS Regular Monthly Meeting

Vic Moss of Moss Photography recently received a waiver for Operations over People and he will discuss the waiver and the process.

Mountain West UAS brings together owners, operators and interested parties in an informal and social atmosphere to discuss drones, their legal and safe operation and positive benefits to society.

From the intersection of US Highways 285 & 24 in Johnson Village, Colorado, go north on US 24 about one mile and turn west on Steel Drive. The first left turn is Chaffee County Road 319. The terminal building is to the left, and the conference room is on the second floor.
