

Preflight in a Box

Join us for a presentation and hands on event to unlock the joy of preflight. We start with a short presentation on what to look for and the reasons we check those items. Then we'll head out to the aircraft for some hands on work to sharpen your preflight skills. We will also include a session for flight instructors to help teach the preflight. The event will last from 0900-1230. The restaurant next door at the terminal will be open from 11AM to 8PM.

The school is directly next to the terminal building. Proceed through the front doors to the classroom. If you're flying in, park on the ramp in front of the FBO and walked inside.

A message from the National FAASTeam Manager

Earn your WINGS to get a chance to win a prize. Go to <https://www.wingsindustry.com/WINGS-Sweepstakes> for more info. Join us on Facebook: <https://www.facebook.com/groups/GASafety/>
