

## EAA Chapter 43 VMC Club - Live and Zoom - Topic TBD

Believing that safety and proficiency are developed through education and experience, monthly meetings use topic presentations and real world scenarios to engage our members and allow them to share and build their experience. At the meetings, prospective members have the opportunity to see and discuss presentations provided by EAA Chapter 43 VMC Club. You do not have to be a member of EAA Chapter 43 to attend.

Please plan on joining us as these meetings are always lively, educational & fun.

Drive to the back, southwest corner of the building. Look for the orange "Industrial Lane" banner over the door next to Docks 3 & 4. Enter at the top of the stairs. Call or text Andre' Smith or James Wood if you have difficulty finding our room.

Zoom Conference: Contact Andre' Smith at [andresmith76@outlook.com](mailto:andresmith76@outlook.com) to receive Zoom login information prior to the meeting.
