

Metropolitan State University of Denver - Aviation Safety Symposium

The Aviation Safety Symposium will be an event connecting leading industry aviation safety experts with the aviation community. The purpose of this event will be to discuss and learn how aviation safety can be improved and how we reduce aviation accidents and incidents. Four industry professionals will speak on aviation pilot human factors and pilot development, adapting new technologies in the aviation industry, and runway incursion and stabilized approaches.

Paid parking is located next to the Tivoli Student Union at Metropolitan State University of Denver. You can pay at the ParkMobile kiosk or on the ParkMobile App. Parking is \$8.00. Enter the building and take the elevators or stairs to the 6th floor.

A message from the National FAASTeam Manager
