

## Cirrus Pilots Safety Meeting

The safety meeting provides organized “hangar flying” focused on building proficiency and safety in all flight conditions. We have very engaging discussions of real-world scenarios, with pilots also sharing their knowledge and experiences in order to promote safety, education, and proficiency. You do not have to be a Cirrus pilot to attend.

Every meeting consists of the latest FAA safety topic, emergency procedures, NTSB accident case review and group discussions about safety, proficiency, and member experiences.

Bring your EFB, your experience, and your questions, and be ready to participate.

Coffee and breakfast sandwiches will be provided.

7151 S. Peoria St #19C, Englewood, CO 80112

### Event Details

**Sat, Jun 21, 2025 at 10:00 MDT**
