

## EAA Chapter 43 VMC Club Meeting

The EAA VMC Club provides a "hangar flying" experience organized around visual flight, in order to promote safety, education, and proficiency.

Every meeting consists of a scenario presentation and group discussion about unusual or interesting charts, changed rules and procedures, and member experiences. We also have occasional guest speakers.

Founders of the BoldMethod digital aviation and flight training content provider will discuss strategies for applying their solutions to safer flying.

Bring your POH, EFB, your experience, and your questions, and be ready to participate.

All are welcome. You do not need to be an EAA member to attend
