

## Black Forest Soaring Society Spring 2026 Safety Meeting

Discussion topics include recognizing and responding to a power loss on tow and briefing a plan on premature termination of the launch (tow). We'll also discuss the causes and physics of kiting on tow and pre-landing checklist considerations.

This is a closed event for members of the Black Forest Soaring Society only. For further information contact Alice Palmer at (303) 828-6159.
