

## EAA 648 Meeting Longmont

EAA Chapter 648 at Vance Brand Airport (KLMO) in Longmont, Colorado, sponsors this monthly safety presentation, which is open to the public. This FAASTeam event will cover practical flying techniques centered on attitude, airspeed, and power, and qualifies for WINGS ground credit. Fly any Airplane at a set altitude, airspeed, and power and how it performs precisely.

Location is Hanger 44 in Building 15 at Longmont Municipal Airport.

The walk-through gate at airport manager building will be attended by an EAA member. This is the first building after turning off of airport road.

Park in any public parking, including along Airport Road. Nearby cross streets are Airport Rd and Rogers Rd, Longmont, CO.
