

Runway Incursions and Hot Spots

We will review "what does ATC want to hear you say as a pilot;" what is a Hot Spot and how to deal with it if you are in one of these areas; and what is a runway incursion and how to avoid one.

Directions: This will be at the FBO, up the stairs. We will be doing an interactive set up outside in the parking lot as well.

A message from the National FAASTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at www.FAASafety.gov!

The FAA Safety Team (FAASTeam) is committed to providing equal access to this meeting/event for all participants. If you need alternative formats or services because of a disability, please communicate your request as soon as possible with the person in the "Contact Information" area of the meeting/event notice. Note that two weeks is usually required to arrange services.
