

Summer Aviation Safety Seminar

In the first presentation we'll talk a little bit about Loss of Control Accidents and recommendations from a work group that studies loss of control. The second presentation will focus on methods to enhance your aircraft preflight inspection practices.

Directions: Enter through the main lobby. The presentation will be held in the conference room.

A message from the National FAASTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at www.FAASafety.gov!

The FAA Safety Team (FAASTeam) is committed to providing equal access to this meeting/event for all participants. If you need alternative formats or services because of a disability, please communicate your request as soon as possible with the person in the "Contact Information" area of the meeting/event notice. Note that two weeks is usually required to arrange services.
