

## Summer Aviation Safety Seminar

Beyond the preflight is designed to assist a pilot by enhancing their aircraft preflight knowledge beyond the standard use of their preflight checklist. This program teaches pilots additional items and techniques they can apply to their preflight inspection in conjunction with their standard aircraft preflight checklist to help reduce their risk of an accident.

**Directions:** Enter through the lobby. The meeting will be conducted in the conference room on the second floor.

### A message from the National FAASTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at [www.FAASafety.gov](http://www.FAASafety.gov)!
