

FAASTeam CFI & Pilot Workshop #8

This CFI workshop is the 8th of 8 quarterly workshops sponsored by the FAA Safety Team to reduce General Aviation accidents, incidents, and pilot deviations. The purpose of the workshop is to recognize the potential for pilot deviations and to develop strategies to prevent these deviations. All pilots and student pilots are invited to attend.

Directions: From I 70, exit on Horizon Drive, travel north toward the airport. Enter the roundabout at Horizon Drive take the first right turn on to Eagle Way. After exiting the roundabout, take the first left on S. Heritage Ct. The CAF is on the right at the dead end

A message from the National FAASTeam Manager

The new WINGS–Pilot Proficiency Program is great! Check it out now!
