

GJT Flying After Hours / RIL Squawk Meet

Bob Chapman, an Operations Supervisor from the Prescott Hub FSS, will explain the inner workings of the Lockheed Martin Flight Service Stations and the support they provide for pilots.

Directions: From the GJT Airport entrance roundabout, exit on to Eagle Way toward "GA." Then take the first right on Navigator's Way, then the first left on S. Heritage Ct.; the CAF is on the right at the dead end. If you are flying in, park at the FBO (West Star Aviation); they'll give you a ride to the CAF.

A message from the National FAASTeam Manager

Over 136,600 pilots earned WINGS credits last year. Will you, this year?
