

Pilot Responsibility

Review Part 91:03 and 91:103 in relationship to Preflight planning. Use of Duats Flight planning Special night flight preparation Use of FSS Cockpit set up Landing data cards Walk around Use of check list

Directions: Enter the main gate. There should be someone at the gate, if not call the number under "contact info" below and we will be right down. Once in turn left on the ramp. Not on the dirt road. You will see a two story tan hangar with a bell coney. Park on the gravel parking just in front and around the building.

A message from the National FAASTeam Manager

Over 10,150 AMTs earned an AMT Award last year. Will you, this year?

Sign up for the FAA's safety services at www.FAASafety.gov!
