

Changes to Class Bravo Airspace at SLC - Pilot/Controller Forum

Changes are coming to the Salt Lake City International Airport and local air traffic operations including: Bravo Airspace, runway construction and closures, arrivals to runway 35, Barn and I-80 VFR transitions and the Provo radar are subjects that will be discussed.

Directions: Access to the Kibbie Executive Building is on the east side (General Aviation) of the Salt Lake International Airport. The entrance road to the Kibbie Executive Terminal is located at 340 N 2400 W on the west side of the road. There is public parking northeast of the Kibbie building. Enter the Executives terminal main entrance, the meeting room is directly to the right of the main entrance.

A message from the National FAASTeam Manager

Over 10,150 AMTs earned an AMT Award last year. Will you, this year?
