

The Civil Air Patrol's Role and How You Can Help Them Help You Survive

1. CAP mission alerting and response, followed by a short review of GA mishaps in Utah for the past two years looking for common preventive actions to avoid needing the survival bag.
2. Inexpensive survival kits you can make plus immediate action items that you can take to increase your odds of survival/extraction.

Directions: Enter airport grounds, head northwest to Hanger 49.
