

## Vernal Pilot Safety Meeting

We will discuss the need for passenger briefing and things that we can do to make the flight more enjoyable and safe. There will be a review of how to make good decisions and tools we can take advantage of.

**Directions:** This is the new hanger where Vernal Aviation was.  
Come and tour the new facility.

### A message from the National FAASTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.  
Sign up for the FAA's safety services at [www.FAASafety.gov](http://www.FAASafety.gov)!

The FAA Safety Team (FAASTeam) is committed to providing equal access to this meeting/event for all participants. If you need alternative formats or services because of a disability, please communicate your request as soon as possible with the person in the "Contact Information" area of the meeting/event notice. Note that two weeks is usually required to arrange services.
