

14 CFR Part 91: Rules we live by

All personal flying and many commercial operations including flight instruction, banner towing, skydiving, etc operate under 14 CFR Part 91. Additionally, pilots performing owner/ operator maintenance must be knowledgeable about Part 91 of the regulations. The "General Operating and Flight Rules" contain hundreds of subparts and paragraphs that affect your flying operation. Attend this informative briefing presented by featured speaker Rick Stednitz FAASTeam Program Manager

Directions: Directions: Enter airport grounds, through the security gate then head northwest to Hanger 49. Call for security code if you need to.

A message from the National FAASTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at www.FAASafety.gov!

The FAA Safety Team (FAASTeam) is committed to providing equal access to this meeting/event for all participants. If you need alternative formats or services because of a disability, please communicate your request as soon as possible with the person in the "Contact Information" area of the meeting/event notice. Note that two weeks is usually required to arrange services.
