

Idaho Falls Airport Annual Runway Safety Action Team Meeting

Runway incursions continue to be a major factor in aviation safety programs. Through user input the Air traffic controllers and Office of Runway Safety can improve the services provided to the aviation community. Please come and provide your input so we can make Idaho Falls regional airport safer for all users. Topics to be discussed: IDA Construction and Planning: IDA Airport Security: Snow Removal Operations & Procedures: Runway Safety and You: Changes to Air Traffic Control Procedures and Safety Trends and Issues

Directions: Drive north on Skyline Drive to International Way. Turn left on International Way and drive west to Aeromark hangar (slightly left at the F-86)

A message from the National FAASafety Team Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.
Sign up for the FAA's safety services at www.FAASafety.gov!

The FAA Safety Team (FAASafety Team) is committed to providing equal access to this meeting/event for all participants. If you need alternative formats or services because of a disability, please communicate your request as soon as possible with the person in the "Contact Information" area of the meeting/event notice. Note that two weeks is usually required to arrange services.
