

Air Traffic Control and Special Use Airspace

Air Traffic Controllers will be briefing on numerous topics including: Utah Test and Training Range, Lights out in Military Operations Areas (MOA's), Unmanned Aircraft, Wake Turbulence and other Mid Air Collision Avoidance Topics (MACA).

Directions: From I-15, take the Provo Center Street exit West. Proceed West on Center Street, then turn South(left) on 3110 West. 3110 West turns into Mike Jensen Parkway, as it enters the main airport property. The meeting will be in Hangar B, Classroom C

A message from the National FAASafety Team Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at www.FAASafety.gov!

The FAA Safety Team (FAASafety Team) is committed to providing equal access to this meeting/event for all participants. If you need alternative formats or services because of a disability, please communicate your request as soon as possible with the person in the "Contact Information" area of the meeting/event notice. Note that two weeks is usually required to arrange services.
