

SLC-FSDO FAAS Team presents:

ForeFlight as a Preflight Briefing Tool

Please bring your iOS device and follow along as we introduce ForeFlight as a preflight briefing tool. We will create a flight plan and brief weather (including various weather products and forecasts), NOTAMS, etc. We will show you where to find publications including plates, diagrams, the Chart Supplement, the TPP, etc. *Independently organized by SLC-FSDO FAASafety Team. All logos and trademarks used with permission.

Directions: An in person seminar with free parking for both cars and aircraft.

Arriving in the Car

Please park in the lot to the south east of the building across the street. Look for signs to enter directly into the main hangar through the entrance on the east side of the building just north of the offices.

Arriving in the Plane

CB Jet Center is offering their ramp free of charge if you'd like to fly in to the event. To ensure adequate parking please contact (801) 621-0326
