

Idaho Falls Airport Annual Runway Safety Action Team Meeting

Runway incursions continue to be a major factor in aviation safety programs. Through user input, the Air Traffic controllers and Office of Runway Safety can improve the services provided to the aviation community. Please attend this program and provide your input so we can make Idaho Falls regional airport safer for all users.

Directions: Drive north on Skyline Drive to International Way. Turn left on International Way and drive west to Aeromark hangar (slightly left at the F-86). Ask the front desk for directions to the classroom.
