

SLC-FSDO FAAS Team presents:

KOGD Pilot / Controller Open Forum

Do you fly in or out of the Ogden class delta airspace? Have you wondered why ATC issues the instructions and clearances they do? Would you like to make your experience more seamless? On Tuesday July 19, 2022 we are pleased to have a pilot / controller forum with Ogden ATC Tower manager Frank Elshoz at CB Skyshare.

During this event we will discuss the unique layout of the Ogden and proximity to Hill Air Force Base we will also go over some of the common clearances, why they are given, and how they help facilitate the safe and efficient use of the airspace. There will be plenty of time for questions and answers....so come prepared!
