

Mid Air Collision Avoidance 2025

How does general aviation interact with military aviation? We will answer this question with briefings from representatives from the 75th Air Base Wing, 388th Fighter Wing, 151st UTANG, 211th ANG, Hill AFB Tower and the Utah Test and Training Range (UTTR) . This will be a chance to ask all the questions you've had about Special Use Airspace and Military activity!

Event will be held in the Salt Lake Airport Training Facility conference room. The building is located at the North end of the Salt Lake City Airport; just across from Red Rock Medical Supply. Proceed through the vehicle gate into the parking lot on the south side of the facility. Enter the main doors from the south side.

A message from the National FAASTeam Manager
