

Sport Pilot: What's The Big Deal?

FLY-IN AND DRIVE-IN

Saturday, June 21 – 9 AM

@42U Morgan County Airport

Speaker: Rex Shoell CFI / CFII / LSRM-A

In this open forum event we will be discussing various safety topics regarding Light Sport rules and regulation to include eligible airplane airworthiness certificates, maintenance requirements and utilizing Sport Pilot privileges with a Sport Pilot or higher rating. Please bring your questions! Light refreshments will be served!

On the maintenance side we'll discuss...

- Eligible airplanes under Sport Pilot rules
- Who is authorized to do maintenance on each certificate

RSVP by contacting Rex

Email: rexfaast@gmail.com

On the pilot side we'll discuss...

- Privileges and limitations
- Utilizing Sport Pilot privileges with a higher certificate
- Utilizing a Sport Pilot rating as a stepping stone towards a higher rating
- What airplanes you are eligible to fly under Sport Pilot Rules
- Proficiency Checks - what are they and who conducts them

Wings Credit Available!
