

5 Things You Need to Know About Your Beechcraft

This presentation is adopted from Tom Turner's presentation (with his permission) to the American Bonanza Society 2025 Convention. Dean will also share some of his insights he gained while instructing at the Hawker Beechcraft Employee Flying Club in Wichita.

Key topics include:

1. Landing Gear Gotcha's
2. Electrical Excitement (Issues)
3. Power Problems
4. Losing It- Loss of Control in the pattern
5. Making Better Landings

The building is located at the North end of the Salt Lake City Airport; just across from Red Rock Medical Supply. Proceed through the vehicle gate into the parking lot on the south side of the facility. Enter the main doors from the south side.

A message from the National FAASTeam Manager
