

Failure to Follow Procedures

Rick Jeffs, FAASTeam Program Manager, will be presenting a seminar discussing negative consequences when procedures are not followed during aircraft maintenance. Failure to follow procedures resulting in maintenance failures contributes to aircraft accidents, incidents, and violations. General Aviation maintenance personnel failing to follow procedures attributes to the majority of the accidents and violations involving maintenance activities.

The hangar/classroom is located on the northwest intersection of Boeing Avenue and Thunderbolt Street at the Pocatello Regional Airport.
