

## Ogden Pilot / Controller Open Forum - Hybrid

Join us for a town hall–style meeting with the Ogden Air Traffic Control Tower Manager.

The discussion will cover a range of operational topics, including radio communications, flight operations at Ogden, common routings and departures, practice approaches, traffic pattern procedures, and recommended best practices. Additional insights, tips, and techniques will be shared, along with updates on upcoming construction and expectations for safe and effective operations and communications on and around the airport surface area.

Event will be held in the Kemp Jet Service conference room located on the 2nd floor.
