

All About Stalls And Spins

Presentation by Rich Stowell at the Pilot Makers Hangar at the Provo Airport. Rich is a highly respected aerobatic pilot, flight instructor, author, and aviation safety educator. He is best known for developing the Emergency Maneuver Training (EMT) Program, which teaches pilots how to handle unusual attitudes, stalls, spins, and loss-of-control situations. He was designated the first Master CFI-Aerobatics in the U.S.

Provo Hangar 19-12

For those interested in flying in, parking is available at Signature. Ask to be escorted to the Pilot Makers hangar.

For those driving in, park in the parking lot outside the hangar (coordinates and link to location below). After arriving, call Pilot Makers at (435) 315-3944 or call Jeff Granger at (574) 721-4340 to be escorted through the gate.

Parking lot location when arriving by car: 40°13'17.9"N
111°43'00.9"W
