

## Mid Air Collision Avoidance 2026 - Hybrid

How does general aviation interact with military aviation? We will answer this question with briefings from representatives from the 75th Air Base Wing Safety, 514th Flight Test Squadron, 151st UTANG, 211th ANG, Hill AFB Tower, UAS USUMR, Salt Lake TRACON, and the Utah Test and Training Range (UTTR) . This will be a chance to ask all the questions you've had about Special Use Airspace and Military activity!

Event will be held at the FLT Academy conference room located on the 2nd floor.
