

Owner/Mechanic Relations

Aircraft owners and pilots rely on certificated aircraft mechanics and inspectors for continued airworthiness of their aircraft. Many owners are unaware of their own airworthiness responsibilities. This program introduces Owner/Pilot/Mechanic responsibilities and authorities with respect to continued airworthiness and it offers suggestions for evaluating maintenance facilities and personnel.

Parking in gravel area next to county snow removal building or adjacent Smiling Aviation lot. Fly-in aircraft park on transient ramp, walk to snow removal equipment building.

Click on map link below for parking and access details:
